47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on sonic as my internet provider. It is the best price & service I have received. I am a consumer and i support broadband competition! I know many others who rely on this service in San Francisco in particular. Hear my voice!! I would even be open to new providers and having as many options as possible.
