To whom it may concern:

Subject: Filing for Waiver for passing the filing window deadline on FCC Form 471.

BEN # 200748 FRN - 1699143746

Regarding Filing Deadline window of FCC Form 471:

I would like to receive a waiver on the July 21, 2016 deadline for FCC Form 471. We had a staff member injured on the job on Thursday, July 21, 2016. Since part of my job is also Human Resources, I was busy taking the necessary steps in contacting the insurance company and filing the appropriate forms in a timely manner. Completing the Workers Comp form, contacting the hospital regarding services rendered and contacting the patient took most of the day on Thursday, July 21 and Friday, July 22. Our library is closed on Monday so when I came to work on Tuesday I immediately began filing the Form 471. I am requesting that you extend the deadline so that our rural library can benefit from the available funds through the USAC eRate program.

Thank you for your consideration.
