**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My husband and I live in a single family home in a small community near a large metropolitan area. We have two choices in internet services: AT&T and an independent small service. I had heard horror stories about the AT&T service and so chose the independent service with whom I have been exceptionally well pleased.

I am emailing to ask you to please reject the USTelecom petition. We really need choice and competition to keep the cost of internet services reasonable.
