**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As usual, Government trying to fix something for the big companies and unintentionally screwing up other things.

I'm in a rural area and only can use broadband service which will go away or become more expensive with your latest proposed deregulation that will limit competition for my type of service.
