**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet needs to STAY completely free from large corporate interference. When technology is concentrated in the hands of a few we all suffer from the monopolistic practices that limit and often eliminate OUR right to choose. These monopolies and REGULATIONS that shut out other players is simply un American. Let the internet live free.
