**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Re: USTelecom's petition:

I have used Sonic internet service for years as both a consumer and entrepreneur. Sonic's service is by far the best I have ever received. Sonic requires UNEs to provide this service and as a consumer I would be hugely negatively impacted if their ability to do so was taken away or somehow restricted.

The FCC needs to stand for consumers, the free market, and competition in other words, the American way and not incumbents and monopolies. I am tired of watching our regulatory agencies kowtow to a handful of powerful corporations instead of representing the interests of American citizens. Do your damn job.
