**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic, a competitive provider, because it's reliable and trustworthy, unlike AT&T. We need to preserve competition in the market. There should not be price hikes that increase the cost of internet and phone services. Broadband is critical in my home. As a residential customer I will be materially affected if there would be no carriers such as Sonic who use unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace.
