**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I highly value a competitive market in regards to fiber-optics and telecommunications. Please do not create an unfair monopoly.

Over the past 5 years I have dealt with many internet providers including; ATT, XFINITY, to name a few.

The best product and service that I have received is from my local provider, LMI based out of Oakland, CA.

I feel there is a much more connected experience when dealing with a local provider versus the corporate giant.
