**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a new customer of Sonic (switched over from ATT) , and we are very happy with what we get and how much we pay monthly (less expensive and much fast internet as well as good telephone services because Sonic has fiber lines). This is the result of the competition, we support it. Everybody hates price hikes, so we should have more competitions not less.
