**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use sonic, because they provide me with a real value for my money,

If you cut off my ability to get high speed internet from a competitive carrier. You have eliminated the free market that the united states professes to support and will have created a even larger monopoly.

AT&T were delivering a subpar product and I never got the product I payed for with sonic my internet speeds are actually what I pay for.
