**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe I have the right to a competitive service provider. I choose SONIC in the San Francisco Bay Area over Comcast and AT&T for more than just price.

Customer service, privacy, and dependability are all critical when choosing a service provider. After years of stressful interactions with AT&T I finally switched to Sonic. Phone and internet service have been stress free since then.

Please don't take away my choices.

Regards,

Gwynne Fitzsimmoms
