**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im very pleased with Sonic and its new technology, I had nothing but problems with AT&T and its internet connection for years. Taking away new technology away is going backwards instead of forward.

We need improve our internet and keep cost down instead of having bad internet services and higher cost.
