**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic internet customer. I chose Sonic several years ago after having spotty coverage with a major cable company.

I would spend hours trying to get service and had hours of frustration and no satisfaction.

I switched to a local company with wonderful results. I can speak to a real person quickly and the results are positive. My service is much better and the cost is reasonable.

It is important for me to be able to continue using my local internet provider. I do not support changes that put their ability to thrive in jeopardy.

Thank you for reading this letter.
