**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Keeping the price low is my main objective. Giving the internet to the large providers is unfair and will not provide lower pricing. I am very happy with my current situation and could not imagine a better price with anything else.

Thank you,
