**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a locally based competitive internet provider because they supply superior service at a lower cost with better customer support than I can find anywhere else.

You will be killing the spirit of entrepreneurship that drives our country if you allow this massive price hike via deregulation that will drive small, local, competitive providers out of business.

Please do the right thing and do not allow this harmful deregulation.
