**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was previously stuck paying high prices for slow DSL internet through Comcast, until Sonic installed high-speed fiber in my neighborhood and charged a fraction of the cost that Comcast charged. To say that there is no need for the law to require that Comcast allow these companies to exist is misguided. We need competition to keep prices lower and quality higher for consumers.
