**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't kill competition. Even two providers does not equal competition. It shouldn't be impossible for a startup to enter the industry.

Even in the heart of silicon valley, for fast broadband speeds, I only have two choices. Only one if I want fiber, which isn't a choice at all.

Please make it easier for local providers to start up and get into the business.
