**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I understand that the FCC want to discontinue the UNEs which includes my present provider SONIC.com.

I am extremely unhappy about this because Sonic provides fast affordable internet and phone services.

I oppose this petition which seems to be an effort by bigger telephone companies to stop competition and make it easier to increase the cost of internet and telephone services which would prove a financial hardship for me and others on limited income.
