**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition in this market place is essential. We have chosen Sonice as our internet provider as they offer superior service and speed. I have already tried ATT & Comcast and they do not offer prompt or quality service when there is a problem. They have given us much frustration over the years.

We need choice, speed and qualitys competitive pricing. Do your job and make us proud of your advocacy for we, the people.
