**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I subscribe to a local internet provider that gives me competitive rates and far better service than the bigger conglomerates. I am not excited to have competition thwarted. My local internet provider, Sonic, is placing fiber networks throughout the Bay Area and, even though they have not reached my suburban neighborhood, I am continuing to support them because they have simply a better, more informed, more helpful service operation than the bigger companies. Competition creates better options for the consumer!
