**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are customers who rely on the services of our local telecommunications company , Sonic. They are s wonderful company supplying great service and technical support and we have appreciated their service for over 20 years.

We completely disagree with your petition to dismantle components of the 1996 Telecommunications Act because effectively there is competition from our local company and we want to keep it that way! We receive fast, affordable internet and phone service and much much better customer service than the big box companies!

Please do not grant this petition!
