**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

One of the best parts of moving to the Sunset is that it had Sonic, a competitor to Comcast. Prior to moving, I was in SF, but in a neighborhood that had more limited competition, and I was paying \$80 a month for 125 MBps service. With Sonic, I was paying \$60 a month for gigabit download speeds.

Please continue to support regulations that keep the markets open for smaller players.
