**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a costumer of a local internet provider for many years. Competition is important to keep rates down, and improve service.

I had DSL, but due to my local provider, I now have a much faster fiber connection. This would not have happened with the big companies.

My local internet provider also carries my landline phone service. They are a company that is responsive and knowledgeable. There customer service is outstanding.

Thank you,

Jan Vail
