**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please key competitive providers available to our community. Competitive providers increase small businesses in this community and provides jobs and can help keep the costs down. We are a small county with multiple needs for internet and telephone services. Therefore, we have a need for local broadband servers.

Thank you!
