**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am retired and living on savings. I use an internet provider that provides services at a reasonable cost, without requiring me to buy additional services I neither need nor want. I urge you to keep Section 251(c)(3) in place, as the marketplace for related services definitely still exists; I am part of that market and I know others who are as well.
