**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I exist. I would very much like to keep the option of not HAVING to choose either AT&T or Comcast. I like being able to choose a company that respects my privacy, respects their own pricing (unlike the afore mentioned) and offers stellar customer service. I exist. Competition against the biggest telecom companies exists. That is a fact, no matter what they try and tell you. It is ironic, also, that considering how anti-trust works that they would try and convince you they are the only game in town. In a way I am defending them even as I am telling you that I definitely don't want to have to use their service by default. Please allow completion to continue and flourish.
