**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in San Francisco and use Sonic for our internet connection. They offered something the other big carriers didnt. Flexibility, affordability, and options. Please do not take this service away as it will create a burden on our family and force us to pay for services we dont use.

Thank you. Competition from smaller carriers like Sonic are good for residential markets like ours.
