**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like to have choices. If you do not allow these smaller companies to offer internet services, I will only have AT&T or Comcast to choose from. I don't do business with either of those companies anymore because in the past they have been so dishonest and unfair to me as a customer that I quit using them. If they have no competition they will make my service much more expensive.

My kids are living overseas now and I use the internet to keep in touch with them. I do my banking online - bill paying. I keep in touch with my family all over the US. Please don't take away the internet company I chose. I was so happy when I found I had an option and wouldn't be forced to use either AT&T or Comcast (or XFINITY - whatever they call it these days).

Please don't take away choices from consumers!
