47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy Sonic user. Sonic pays AT&T for access to their lines while they build out their own network. Sonic provides excellent customer service and cares about providing an alternative to cable. AT&T has stopped improving its network in our area (zip 94043); I hear they are focused on cellular instead. Please allow Sonic to keep giving us great service by allowing them access to AT&T lines.
