**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic's residential fiber offerings today but previously relied on DSL. Sonic is able to offer me 1GBps speeds at roughly \$70/mon. My next best choice is Wave's DSL offering which I previously used but only provided 100MBps at \$100/mon. Having access to low cost, fast internet from a small, customer service oriented company is important for my work and for my family. Please don't limit my access to fiber!! Thank you
