**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an owner of a small business and it has been difficult to pay the increasing rates of both my phone and internet bills which are both so essential. I was fortunate to get sonic installed and now both my bills are manageable. I was shocked to find out much higher AT and T charged me for slower ...and more rude Consumer...service.

I strongly support broadband competition and hope you do the right thing to save it.

Thank you
