**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We currently have service through an excellent internet service (Sonic.net) and are very concerned that deregulation will ensure big telephone companies will push them out so they can levy massive price hikes on broadband customers. We switched from a big telephone company due to poor, frustrating and incompetent service. We depend on the efficient, affordable broadband service provided by our current provider to maintain a small business.

Please maintain competition for broadband. Consumers and small businesses depend on it.
