**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want you to think carefully about any regulatory concession to benefit AT&T over its competitors.

Background.

I originally selected AT&T as my phone and internet provider. This worked adequately for several years.

Years later, while refinancing my house, I discovered unpaid phone debts in my name. Debts incurred in a state where I never lived. AT&T blocked my attempts over the years to resolve the issue.

Due to AT&T's misbehavior I sought alternative phone and internet services. Words cannot describe the satisfaction of finding and moving to competing services.

Request.

I request you sustain a regulatory environment which enables maximum competitive options for consumer.
