**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who strongly values competitive choice and as such am extremely concerned about this petition. Competition is the Foundation of innovation and improvements for consumers, and support competitive pricing and consumer choice. I am strongly opposed to the USTelecom petition and insist that it does not move forward.
