**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and also own a wheat farm in the Dutch Flat area of The Dalles, Oregon. My husband was born on our farm 89 years ago. I have lived in this area most of my life and been in the farming business for over 60 years. My husband was a contractor with his own equipment until his retirement.

I am a happy user of Gorge.net for my phone and computer service. They have given me service for many years and offer help when I need it.

We use our phone and computer daily and at this stage in life, I do not want to be told I have to give up a service that has been so good to me and so dependable. Gorge.net has been a constant companion and someone there is always ready to help us with any little problem we have.

I value my competitive choice. I oppose the USTelecom petition.

Please let us keep our choice of Gorge.net
