**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am speaking up for local competitive internet providers! I use one for home service. I have fiber today but was previously connected with competitive DSL. The price was more affordable then AT&T or Comcast for the way that I use the internet. I want to have choices & support local companies that offer the best options for me.
