**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a sonic fiber member for 2 yrs now and I love the service that they provide. As a federal agent who sometimes works at home, I rely on the speedy internet to process claims in a timely matter. I support broadband competition and saying no to price hikes that will increase the cost of internet. We already live in one of the most expensive cities in California and any cost increase will be difficult on hard working people like myself.
