**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I and many others will be deeply affected by USTelecoms petition to dismantle key components of the 1996 Telecommunications Act. I subscribe to Sonic and would be materially affected and these effects would be profound, without access to UNE services, Sonic wouldnt have been able to connect consumers while building their fiber networks. And once fiber networks are built, UNEs are still used as they connect from city to city and are the key backhaul for all fiber networks.

I rely on these services and OPPOSE this petition.

Sincerely,

Carol Adams
