**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as a cheaper option for a high speed internet provider in my community. Plus my internet comes with a landline handy for emergencies. We're blessed in our location that we have the options between ATT, xfinity and sonic.

Having more competition in the business truly brings prices down. Our provider is dependable, fast and haven't changed their price for the last 3 years we've been with them.

Thank you!

Sincerely,

benilda oliguino
