**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family and I switched to a small Internet and Telephone provider (Sonic.net) after years of being unhappy with AT&T and Comcast, the big players in our market. We now have Gigabit Internet at only half the cost of our previous plan and without misleading teaser rates and rate hikes after two years.

We strongly believe that local competition is important for giving consumers the ability to use ISPs like Sonic rather than being stuck with the established players.

Thank you!
