**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

If you have traveled to other countries in Europe & Asia you will know just how far behind we are in speed, affordability and availability of high speed broadband. This is a critical resource that should be available to everyone in this competitive business environment. Please do what is right for the country!
