**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

I support more competition in the internet access market, not less. Newer technologies, and privacy protections are important to me for my business enterprises as well as personal use, and those are delivered by local community network operations such as my beloved Omsoft internet provider.
