**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition and putting the little guys out of business is not in the consumer's (my) best interest. I am, as many are, very dependent on broadband for both my business and my home - located in the same place.

I use Sonic with great satisfaction...you are about to majorly hamper them. I will be greatly disappointed if I have to use either Comcast or AT&T because you hamper their competition and put Sonic out of business. Both Comcast and AT&T (despite what they say) do NOT have the consumer's best interest at heart. They have terrible service and charge WAY too much for what you get. Sonic does not charge as much and has great service.

So, PLEASE don't create an environment that limits competition or would not be in the best interest of the consumer.

Thanks,

Vickie Norris
