**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I use a local service provider for internet because they provide better service and reasonable prices in or area.

No bundled scam pricing that locks you into constant cost increases like I have had in the past from large providers.

How about keeping some choice available ..... no monopoly !
