**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am self employed/ a small business owner who supports broadband competition. No Price Hikes! I appreciate my internet provider and their commitment to keeping my personal information private. As a small business owner, I want to support small businesses in my community like sonic.net. I trust them. I don't really trust you. I doubt this letter will do anything to sway you from doing whatever the corporation (US Telecom) that owns you wants you to do. I DO EXIST and would be "materially affected". Don't pretend like you didn't know that in order to pass the petition to dismantle key components of the 1996 Telecommunications Act.

I am writing this letter by request of a small company I do business with. I support them because they look out for me. Who do YOU support?
