**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of Sonic, which is a competitive small Bay Area company for phone and internet service. Local broadband providers keep the monthly cost down. We do not have cable and have never used AT&T nor Comcast for the internet. They continually raise their prices. Please do not force a change in this industry which eliminates competition.
