**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a residential consumer, and think this attempt to limit competition amongst broadband providers is disgraceful. After the FCC already attempted to completely gut net neutrality, and now allowing this to happen, it's clear the members of the organization are only looking out for the interests of the corporations. Nothing about this rule helps consumers in any way.
