**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a local ISP because I had the ability to choose and they provide the best level of service at a less expensive price than their large competitors. I also think its important that they value my privacy and vow to honor Net Neutrality, something which the FCC has also failed to uphold. I do not support any initiative which will harm competition or favor the interests of large telecom companies over smaller local interests.
