**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they provide internet access at a reasonable cost and have excellent customer service. The internet is critical to my home because we do not have cable television and rely on it to provide quality programming in other formats to all members of our household. We also conduct work from the home which needs a good internet connection. We used to have Comcast and switched to Sonic because of their prices and service level. Do not allow price hikes that continually cost the costumer and middle class in order to access the things that we need in this fast paced world!

Thank you!
