**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I support broadband competition. I was a long time At&T customer until their abysmal customer service sent me over the edge. AT&T continuously charged me for both broadband and DSL even though they sold me broadband as a way of replacing my previous DSL service.

As a Sonic customer, I finally have fast internet service and an affordable landline, with responsive and courteous customer service.

I urge you to stop big companies like the corrupt and greedy AT&T from raising prices and cutting off competition.

As a college instructor and a parent, I rely on my internet service for work and family. Please protect my local provider.
